DECT Phone

The KX-FC195ML-G comes equipped with a sophisticated DECT phone for longer range and a sound quality. Features include caller ID compatibility, multiple handset support up to 6 handsets, multiple base operation for up to 4 different bases, navigator key for easy operation, and more.

Fully Digital Answering System

The KX-FC195ML-G answers all your calls, records messages and receives faxes while you are away. The digital system makes operation virtually silent and instantaneous.

Digital Duplex Speakerphone

Digital compression technology helps to reduce annoying echo, drop-out or clipping. You can enjoy clear, natural, two way conversations on the digital speakerphone.

Advanced Features

Navigator Key for Easy Operation

The navigator key lets you easily control the volume and ringer level, as well as the phone directory & dialer, Caller ID memory and other advanced functions.

Caller ID Ready^{*3}

The caller's name and phone number can be displayed on the LCD of the handset. So, you can see at a glance in remote location who's calling before you answer the phone.

28-Page Document Memory^{*1*2}

The KX-FC195ML-G can store up to 28 pages in its built-in memory. Ideal for broadcasting multi-page documents to multiple locations.

Voice Time/Day Stamp

Each recorded incoming message is automatically accompanied by a time and day announcement (time/day stamp).

Other Features

- High-speed fax transmission (14.4 kbps)
- Quick scan capability
- Enhanced copier functions
- Sequential broadcasting (20 locations)
- 64-level halftone resolution
- 10-page document feeder
- 50-sheet paper tray
- Variable message playback speed (fast/slow)
- 100-station directory dialing
- Electronic volume control
- Automatic fax/phone switching
