Navigator Key for Easy Operation

The navigator key assists you in storing caller names and up to 100 phone numbers. Simply touch the Navigator key, and the caller's information is displayed on the 2-line LCD.

Enhanced Copier Function

Enlarge (200%/150%), reduce (92%/86%/72%), collate (sort), make up to 100 copies. Panasonic KX-FP303ML-W plain paper facsimile provides you every copying feature you need, in one machine.

Quick Scan

Spend less time waiting for your documents to scan! This feature rapidly scans a document into memory & then sends the document from memory to the recipient.

Advanced Features

28-Page Document Memory^{*1+2}

The KX-FP303ML-W can store up to 28 pages in its built-in memory. Ideal for broadcasting multi-page documents to multiple locations.

This feature will also allow the unit to receive a document if it has run out of paper.

Sequential broadcasting (20 Locations)

The sequential broadcast feature allows you to send a multi-page document to multiple locations at your command.

Error Correction Mode (ECM)

The KX-FP303ML-W's ECM checks documents line by line during transmission. If it detects errors caused by line noise, it resends the same line to ensure good quality.

Caller ID Compatible^{*3}

The 2-line LCD readout can display the caller's name and phone number. So, you can see at a glance who's calling before you answer the phone.

Other Features

- 2-line LCD readout
- Quick scan
- 64-level halftone resolution
- Friendly fax reception
- Fax Pager call
- Extension line transfer
- Straight paper path
- Polling function
- 15-page document feeder
- 150-sheet paper tray
- 7-station one-touch dialer
- 7-station two-touch dialer
- 100-station navigator key dialing
- Electronic volume control
