Ideal  
Communication  
System for  
Home or Office.  
Compact,  
Convenient and  
Easy to Use

## Panasonic

### Navigator Key for Easy Operation

The navigator key assists you in storing caller names and up to 100 phone numbers. Simply touch the Navigator Key, and your caller's name is displayed on the LCD.

### 64-Level Halftone

You can send or copy everything from family photos to company documents in all their original beauty, with the clarity and detail of 64-level halftone reproduction.

### 10-Page Document Feeder

Great for multi-page documents, the automatic feeder lets you send or copy up to ten pages at a time, without tedious manual feeding.

## Advanced Features

### Help Key

Help is at your fingertips when you need it. The built-in Help function lets you print out basic operating instructions or step-by-step programming guides.

### Monitor Function

The KX-FT72ML-W lets you dial any call on hook mode. You can also listen to your caller's through monitor speaker, without picking up the handset.

### Electronic Volume Adjustments

You can adjust the volume of the ringer (4 levels), handset (3 levels) and monitor (8 levels) to suit your personal preferences.

### Compact Design

The KX-FT72ML-W is designed compactness in mind. The Panasonic Personal Fax fits neatly into any home or office.

## Additional Convenient Functions

- Phone directory for up to 100 names and numbers
- Directory dialing with Navigator key
- Polling function
- Fax pager alert
- Super fine mode
- Handy usage reports

- Copier function
- One-touch tone switching
- Monitor speaker for on-hook dialing
- Automatic redial
- Pause control
- Timed flash memory
