Panasonic

Navigator Key for Easy Operation

The navigator key assists you in storing caller names and up to 50 phone numbers. Simply touch the Navigator Key, and your caller's name is displayed on the LCD.

64-Level Halftone

You can send or copy everything from family photos to company documents in all their original beauty, with the clarity and detail of 64-level halftone reproduction.

Automatic Paper Cutter

Documents that are received or copied will be automatically cut and stacked.

Advanced Features

10-Page Document Feeder

Great for multi-page documents, the automatic feeder lets you send or copy up to ten pages at a time, without tedious manual feeding.

Electronic Volume Adjustments

You can adjust the volume of the ringer (4 levels), handset (3 levels) and monitor (8 levels) to suit your personal preferences.

Help Key

Help is at your fingertips when you need it. The built-in Help function lets you print out basic operating instructions or step-by-step programming guides.

Caller ID Compatible^{*2}

The LCD readout can display the caller's ID, so you can see at a glance who's calling before you answer the phone.
