Panasonic

Electronic Secretary

The system features a full digital answering system which works like having your own personal secretary. It answers every call, records messages and receives faxes when you are away.

Digital Full Duplex Speakerphone

The digital compression technology helps to reduce annoying echo, drop-out or clipping. You can enjoy clear, natural two-way conversations leaving your hands free.

Navigator Key for Easy Operation

The navigator key means programming and searching directories is quick and easy. All it takes is a fingertip. You can utilize the key to skip and repeat messages on the answering machine as well.

Advanced Features

20-Page Document Memory*1

The unit can store up to 20 pages in its built-in memory. Ideal for broadcasting multi-page documents to multiple locations.

This feature will also allow the unit to receive a document if it has run out of paper.

Automatic Paper Cutter

Documents that are received or copied will be automatically cut and stacked.

Convenient Voice Prompts

Each recorded message is automatically accompanied by a voice time/day stamp. The voice remote menu informs you of the features available when you are at a remote location. And the pre-recorded greeting message is ready to answer your calls.

features available when you are at a remote location. And the pre-recorded greeting message is ready to answer your calls.

Caller ID Compatible*2

The caller's ID can be displayed on the LCD. So, you can see at a glance who's calling before you answer the phone.
